Bear. Gary Tiffin reports that on the evening of Tuesday, December 26, Mike's home, in Eugene, and its contents, burned to the ground. The home and contents were not insured. Mike had sold a good portion of his

Gary Tiffin will probably report further at our January club meeting. At this time, Gary requests that we keep him in our thoughts and prayers.

FROM THE PRESIDENT

By the time you read this, the old year has passed and 2018 is a reality. Hope you and yours had a wonderful holiday season.

Our society has been blessed with a great leadership team, presided by Alan Maul and Lisa Janz for the past 4 years. We are indebted to Jerry Gooley for 7 years as our Treasurer. Our Secretary and Show Director, Gary Tiffin, and our Auction Director, Bob Reynolds, constantly work behind the scenes ensuring our meetings and events are top notch. Our Newsletter Editor, Lucien Klein, our Web Master, George Struble, and our Directory Editor, Pete McCallum, keep us well informed and in communication with each other throughout the year. Loren Meyer and Joan True handle our monthly raffle drawing with courtesy, professionalism, and humor. Alan stepped up to take the Treasurer position this year, and Lisa will continue as our Librarian. A big "Thank You" to all these hard-working members.

What a great Christmas Dinner Party we had this year at the Red Lion Inn. Our attendance numbered right at 50 members and guests. The food was great, and the fellowship even better!

Now, looking ahead at 2018, you might ask what are some ways you may be of service to Salem Stamp Society? Here are 5 things that I would offer for you to consider:

Pay your dues: This not only maintains your important membership, but helps us financially as well.

Attend a meeting or event: Just the act of coming encourages your leadership and rewards their efforts.

Volunteer to help at our events: We always need people to help set up or tear down at our show, as well as take an hour at the welcoming table to greet our guests and perhaps gain new members. We sponsor our Salem Stampex shows and also help out at the PIPEX show in Portland in May each year. We are also at the Riverfront Park for the Summer festival of World Beat.

Volunteer for a program: Perhaps a 5-minute presentation like Frame of the Month, or leading a full-blown program exhibiting something of interest that you would like to share with us at the monthly meeting.

Stay in touch: Give us a call, drop us a text or even a quick email and let us know how you are doing. We really want to hear from you.

Hopefully you will consider the list, and help us continue to make the Salem Stamp Society a great organization.

Keep collecting!

Tom Crosby

FROM THE VICE PRESIDENT

Happy New Year!

First of all, I wish to thank Lisa and

Alan for the previous leadership the past terms.

I'm looking forward to this year and the ongoing participation of our members. The success and friendship of our members will be the fulfillment of a wonderful year ahead, frames, demonstrations and events.

The board and I wish all a Happy New Year and look forward to seeing you in the coming year.

Best Wishes,

Karen Nurmi

ATA NEWS RELEASE TOPICAL TIDBITS TOPS 300 PAGES

The latest issue of the American Topical Association website feature,

Topical Tidbits brings its total pages to more than 300 - all available free online. The colorful pages of the new issue of *Topical Tidbits* take philatelists of all ages south of the border to Mexico, with facts, games, puzzles, and lots of stamp images about our southern neighbor.

Aimee Devine, assistant coordinator of ATA youth services, has been creating the features since 2012 through her Perforated Press design service. Each issue includes a downloadable album page for the topic. Past topics, which are all available on the ATA website at: www.americantopicalassn.org include Canada, Magic of Disney, Laura Ingalls Wilder, Gingerbread, The Statue of Liberty, and many more.

Topical Tidbits are designed as an adjunct to the "Stamps Teach" program developed by the APS. The pages are used extensively as teaching modules in classrooms, for stamp club activities, and as at-home fun for all ages. They have helped young people to get interested in topical collecting.

The Mexico issue includes a map of Mexican states, with stamps for each. There are sections on the Day of the Dead and *papal picado* (pierced paper), which were shown on the 2016 Colorful Celebrations U.S. issue. Readers can try their hand at designing a traditional Mexican dress, and match the Mexican products stamps series to their description in Spanish.

All issues of *Topical Tidbits* can be viewed and printed at www.americantopicalassn.org/tidbits.shtml For more information, contact ATA at PO Box 8, Carterville, IL62918-0008, americantopical@msn.com

SALEM STAMP SOCIETY HAS A BIRTHDAY COMING UP

The masthead of this newsletter says that Salem Stamp Society is 85 years old. The age of the club always changes on the newsletter masthead with the first issue of each year. But, actually, the club's birthday has not yet occurred. The club will be 85 years old on February 27, the date it was formally organized. Our February club meeting is the best time to say Happy Birthday! to Salem Stamp Society.

SPACE WEATHER HANDBOOK DVD RELEASED BY THE ATA

Solar storms that cause bright auroras can also affect people and technology in space and on earth. The development of the scientific understanding of that Sun-Earth relationship is examined in *Space Weather - A Philatelic Journey*, a new philatelic handbook published in DVD format by the American Topical Association.

Written by meteorologists Gary Toth and Don Hillger, it contains descriptive text, stamp and cover images, and an extensive and up-to-date checklist. More than 200 pages of detailed information are in pdf format. The checklist appendices in Excel format are also included.

The DVD is \$35, or \$30 for ATA members, plus \$1.50 postage in the U.S. and Canada, or \$3 elsewhere. Order from American Topical Association, PO Box 8, Carterville, IL 62918-0008. americantopical@msn.com Preorders will be taken for a printed book version until March 31, 2018.
