COVID 19: UPDATES ON MEETINGS AND SHOWS.

There is still not much good news to report here. **Society meetings at the Fire Station have been cancelled for the rest of the year.** Members will be informed by this Newsletter, email or by telephone should this position change.

WILLAMETTE VALLEY STAMP EXHIBITION.

Our Society's STAMPEX set for 20th September in Salem has been **CANCELLED.**

NB! There is however some good news to report. Some Club and Board members have tried holding a meeting using Zoom and it seems to work quite well. So, all are invited to our first SSS Zoom meeting on what would be our usual meeting date & time: Wednesday August 12th at 7pm.

All members with email addresses will receive an invitation and instructions on how to join the meeting. If you do not have access to email please contact Bob

Reynolds and he can make arrangements for you join by telephone.

This first Zoom meeting will be an opportunity for members to get back in touch with friends and colleagues, let everyone know what you have been doing with your collections during the Covid emergency and perhaps try out a "Show & Tell" item.

SUMMER CLUB AUCTION.

Our Society's second "on-line" club auction will take place in August. Bob Reynolds has put together another interesting and varied selection of lots for the auction. Club members with email addresses will receive the Bid Board, images of the lots and rules for the auction. Those members with no email addresses will see similar information with this Newsletter. Bids by email or telephone to Bob by 5pm on August 27th. Bidding is only open to Club members.

Cathy Bickerdike. The Board is considering options for a me-

morial to Cathy. She was a keen Topical stamp collector and we re looking for a suitable book on this subject for our library. An annual presentation in her memory might also be appropriate. Members wishing to make a donation can send a check to Alan Maul-address below.
